

Amazon Fulfillment Center Warehouse Associate in Phoenix

Job Location

United States
Remote work from: USA

Base Salary

USD 40 - USD 50

Employment Type

Full-time, Part-time

Description

Key Responsibilities:

- * Order Fulfillment: Efficiently pick, pack, and prepare products for shipment based on customer orders while adhering to quality and safety standards.
- * Inventory Management: Assist with inventory control by conducting regular counts and audits, reporting discrepancies, and ensuring proper storage of goods.
- * Material Handling: Operate warehouse equipment such as pallet jacks, forklifts, and conveyor systems to transport products within the fulfillment center.
- * Safety Compliance: Follow all safety protocols and procedures to maintain a safe working environment for yourself and your colleagues.
- * Problem-Solving: Identify and resolve any issues or discrepancies related to orders, inventory, or equipment malfunctions promptly and effectively.
- * Team Collaboration: Work collaboratively with team members and supervisors to meet or exceed performance goals and maintain a positive work environment.
- Required Skills and Qualifications:
 - * Education: High school diploma or equivalent preferred.
 - * Experience: Prior warehouse or logistics experience is a plus but not required. On-the-job training will be provided.
 - * Physical Stamina: Ability to lift up to 50 lbs, stand, walk, and bend for extended periods.
 - * Attention to Detail: Strong focus on accuracy and quality in order processing and inventory management.
 - * Communication: Effective verbal and written communication skills to interact with team members and supervisors.
 - * Adaptability: Willingness to work in various environmental conditions and adjust to shifting priorities.
- Experience:
 - * Previous experience in a warehouse or similar role is advantageous but not mandatory. We provide comprehensive training to help you succeed in this position.
- Working Hours:
 - * Full-time and part-time shifts are available, including days, evenings, and weekends. Flexibility to work different shifts and overtime as needed is required.
- Knowledge, Skills, and Abilities:
 - * Operational Efficiency: Understanding of warehouse operations, including picking, packing, and shipping processes.
 - * Technical Skills: Ability to use warehouse management systems and basic computer applications.
