- Develop and implement strategies to increase product visibility, ranking, and sales on Amazon.
- Optimize product listings through keyword research, SEO, and A+ Content creation to enhance conversion rates.
- Monitor and analyze account performance, identifying areas of improvement in sales, traffic, and advertising efforts.
- Manage and optimize Amazon PPC campaigns to drive profitable growth and improve ROI.
- Handle FBA (Fulfillment by Amazon) operations, including inventory forecasting, shipments, and performance metrics.
- Coordinate with cross-functional teams (marketing, design, logistics) to ensure successful execution of product launches, promotions, and sales campaigns.
- Track and report key performance indicators (KPIs) such as sales, ACOS, ROAS, and account health metrics.
- Stay updated on Amazon policy changes, new features, and best practices to maintain compliance and competitiveness.
- Resolve any account-related issues, including customer feedback, account health, and product compliance.

#### Qualifications:

- Proven experience as an eCommerce Account Manager with a focus on Amazon USA (3+ years preferred).
- Strong knowledge of Amazon Seller Central or Vendor Central platforms.
- Experience managing and optimizing Amazon PPC campaigns.
- Solid understanding of SEO, keyword research, and listing optimization.
