Full Job Description:

What our identity is

Lululemon is an imaginative presentation attire organization for yoga, running, preparing, and other athletic pursuits. Setting the bar in specialized textures and utilitarian plan, we make groundbreaking items and encounters that help individuals in moving, developing, associating, and being great. We owe our prosperity to our creative item, accentuation on stores, obligation to our kin, and the fantastic associations we make locally we're in. As an organization, we center around making positive change to construct a better, flourishing future. Specifically, that incorporates making an impartial, comprehensive and development centered climate for our kin.

About this group

The GEC Instructor is answerable for every one of the one-on-one associations that occur across our correspondence channels (telephones, email, live visit, and so on) and effectively adds to the experience of our visitors. You will be liable for conveying a firm and wow visitor experience for all visitors.
