## Operations Controlling Financial Analyst III

### Job Location

United States  
Remote work from: USA

### Base Salary

USD 40 - USD 50

### Employment Type

Full-time, Part-time

### Description

Position: Operations Controlling Financial Analyst III,

As part of our National Finance & Administration Services department, you'll help manage the critical resources and infrastructure that keep ALDI running smoothly. Your insights and skills will help every department make smarter decisions and ensure our retail divisions and executive leadership receive the support they need to run a successful operation. Within Finance, our teams include:

Accounting, Financial Planning & Analysis, Financial Reporting, Tax and Treasury.

Position Type: Full-Time

Starting Salary: \$95,000

Salary Increases: Year 2 - \$100,000 | Year 3 - \$105,000

Work Location: Naperville, IL

This role is eligible to participate in ALDI's Hybrid Work Program, which allows remote work up to 3 days per week (i.e., work remotely up to 3 days per week; work in-office at least 2 days per week).
