## Remote Registered Nurse (RN) | Work From Home

### Job Location

United States  
Remote work from: USA

### Base Salary

USD 40 - USD 50

### Employment Type

Full-time, Part-time

### Description

We are seeking compassionate and dedicated Registered Nurses (RNs) who are eager to embrace a flexible work environment while advancing their careers. Join our esteemed healthcare organization where you can thrive in various roles—whether as a Travel RN exploring new locations, a Local RN serving your community, or a PRN RN enjoying flexible scheduling options. Here, you will have the opportunity to significantly impact patient care while fostering your professional growth.

#### Key Responsibilities

- Deliver patient-centered care through comprehensive assessment, diagnosis, planning, implementation, and evaluation of nursing practices.
- Collaborate with a multidisciplinary healthcare team to ensure the highest standard of patient care across diverse settings.
- Conduct thorough assessments of patient conditions and develop individualized care plans.
- Administer medications, treatments, and therapies as prescribed, while monitoring and documenting vital signs and patient progress.
- Communicate effectively with healthcare teams and participate in interdisciplinary meetings to contribute to holistic care planning.
- Maintain accurate patient records in compliance with facility regulations and uphold safety protocols.
- Adapt to various healthcare environments, including hospitals, clinics, and long-term care facilities.
