Solutions Architect, Cloud Innovation Center

Job Location

United States
Remote work from: USA

Base Salary

USD 40 - USD 50

Employment Type

Full-time, Part-time

Description

We're looking for candidates who are ready to roll-up their sleeves, thrive in a fast-paced start-up-like environment, and want to invent the future. Provide technical thought leadership and own the technical engagement and ultimate success around specific innovation challenge projects; define potential implementation architectures. Collaborate with AWS sales and support teams to help customers and interns learn and use AWS Services. Devise strategy and engage with Account Managers Professional Services and Partners to define a technology approach to a customer business problem. Create assets which capture and share best-practice knowledge across the public sector and wider CIC and AWS community.

Amazon is an Equal Opportunity Employer. We celebrate diversity and are committed to creating an inclusive environment for all employees. We do not discriminate based upon race, religion, color, national origin, sex, sexual orientation, gender identity, age, status as a protected veteran, status as an individual with a disability, or other applicable legally protected characteristics.
